Carrot 3000 Car Seat

CARROT 3

Various extension accessories and multi-adjustable features allow for growth and adaptation as a child's needs change over time. The Carrot 3000 caters for safety and the importance of keeping the child in a supported posture for travel.

Our most comprehensive special needs car seat

Ergonomically designed **head support** holds the head and protects from side impacts and centrifugal forces

Shoulder protector wings: Extendable wings hold and protect the body from side impacts and centrifugal forces

Large **chest support** holds the body securely

Tether options include additional security tether for the top of back support or ISOFIX latch connectors

2 positions of **seat depth adjustment** for a better fit

Recline function with angle adjustable seat and back support

STANDARD PACKAGE INCLUDES

- Carrot seat unit
- 5-point anterior chest support
- Headrest wings
- Tee-pad
- Free recline back support
